Plain toast sandwiches.

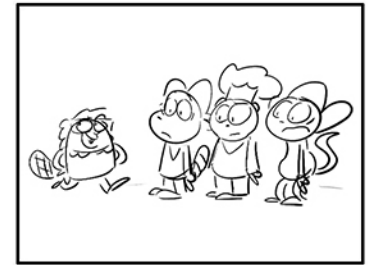

Andi: And what else?

Dennie: There is nothing else. We eat a slice of toast between two slices of toast. It's the law.

Sonny: Dennie, there's actually other things to eat in the world.

Dennie (laughs): Besides a plain toast sandwich? That's crazy talk, man.

Sonny: I made us some mango rice pudding before we left. Why not have some with us?

Dennie: You mean eat whatever it is you just said?
